## THIS WEEK'S MESSAGE

With the Solemn Feast of Christ the King, the liturgical year of the Church enters its final week. Next week we begin a new liturgical year with the Season of Advent. As we end the Church's year, let us take some time to reflect upon the gifts and burdens we have encountered: What blessings did we receive? What burdens did we encounter? And in all of these, how did Christ present Himself to be the King of the Universe and of our lives? Let us recall the promises of our Baptism, by which we were united to Christ in His role as priest, prophet, and king. Let us resolve to be better disciples with deeper gratitude for the gifts He has given, and continues to bestow. Let us also resolve to be better servants of His love with an eagerness not just to receive it, but to share it with others especially those who need to experience it the most.
