The Canadian Conference of Catholic Bishops invite the faithful in Canada to celebrate the joy and beauty of family and life by seeking out new and creative ways to live out this call in our daily lives.

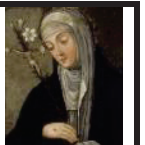

Love is at the heart of familial relationships and our families are a communion of love in Christ. We are "guardians of life" when we love one another within our families, as well as in wider society when we show kindness toward and care for the vulnerable and marginalized.

To love one another is to see the face of Christ in every person, beginning with our families. To love one another recognizes a person's inestimable dignity and worth. To love one another is our shared need for unflinching tenderness, kindness, compassion and care.

Visit www.CCCB.ca for additional resources for NFLW 2023, some of which we will also share on our parish social media. Let us spend NFLW 2023 united in prayer, reflection, and action, demonstrating our active support for family and life. May this special focus on family and life be a springboard for renewed pastoral action in support of families throughout the entire year!

*Be who God meant you to be
